

EESTI TEE (CAMINO de Santiago): Toomkirik - Pärnu Jakobi kirik - Ikla/Heinaste

DAY 6: KIVI-VIGALA - PÄRNU-JAAGUPI

Day 6 offers two options. There is a shorter route (19 km) without a lunch break, the only attraction of which are the time-worn buildings of the Roodi manor. As the main option, we recommend a longer route with a lunch stop at the Libatse store (22 km). The Libatse food market offers shopping opportunities and coffee, as well as a table in front of the store.

Additional overnight stays, further away shops, sights and other ALTERNATIVE OPTIONS, are marked in blue.
